Leadership Development Consultant /Coach

What do you like most about your job?

Being a trusted advisor to leaders in a variety of industries, there's always something new to learn.

What is the biggest misconception about your job?

There's a lot more to bringing out the best in people than engaging in the role of trusted advisor. I spend a great deal of time reading and researching information that I can pass along to my clients.

Do you belong to any community groups or organizations?

Board of Directors for the Orchard Park Chamber of Commerce and Hamburg Alumni Foundation

Proudest career accomplishment:

Starting my own coaching and career consulting business.

What is the best piece of advice you have received?

Not everyone is going to like you, makes it easier to say "no" and not feel obligated to say "yes."

Favorite place?

Carmel, CA

Favorite quote?

"The meaning of life is to find your gift. The purpose of life is to give it away." William Shakespeare

Favorite music, movie, and book?

Music: Zac Brown Band; Movie: *Elf*; Book: *The Power of Now* by Eckart Tolle

Who has inspired your life the most?

My father, who believed that getting a good education was the key to living a good life, and my stepfather, who taught me the power of giving back.
